The opinion of G'doley Hador

8th Kisle 5777
 The great Rabbi, Rabbi Amnon Yitzchak Shlita is one of the great rabbis and preachers of our time who was sent to us as a present from heaven. With his Siyata Dishmaya he is zoche and mezake harabim to return to Hashem. All his deeds are Leshem Shamayim out of his pure faith and his love for Klal Yisroel. Although his words and teachings are famous throughout Israel, here very few know of the greatness of this wonderful and honest man. This is firstly because of his modesty and humility. But it is also because his words and actions have been maliciously distorted by the opponents of religion. They have maligned and belittled his character in an attempt to limit his important work. "They sent a deceitful tongue" (Jeremiah 9) "every tongue that speaks arrogance They say, "By our tongues we shall prevail, with lips such as ours, who can be our master?" (Psalms 12:4-5). Therefore, we must expose some of his good deeds and honesty as it says: "Who may dwell on Your holy mountain?: He who lives without blame, who does what is right, and in his heart acknowledges the truth: whose tongue is not given to evil; who has never done harm to his fellow, or borne reproach for [his acts toward] his neighbor; for whom a contemptible man is abhorrent, but who honors those who fear the LORD; who stands by his oath even to his hurt, who has never lent money at interest, or accepted a bribe against the innocent. The man who acts thus shall never be shaken (Psalm 15:15,). He studies Torah continuously for many hours every day and thirstily drinks the words of the Chachamim Z"L, and has earned the crown of Torah and its acquisition. He was Meshames Chachamim (faith in the sages), loves Hashem, loves mankind, loves righteousness, and the righteous people, stays away from honor, he shares his fellow's burden etc... and all his deeds are out of love and Yirat Shamaim (Fear of heaven) and according to the Torah. And I Pray from the prayer of King David A"H: You, O LORD, will keep them, guarding each from this generation evermore. On every side the wicked roam when baseness is exalted among men (according to Psalms 12:8). And he will merit to increase the light of the Torah and the Jewish nation, which is his deepest desire.

Signed for the honor of the Torah and the truth

Shofar

Organization spreading Judaism

Shofar Is inviting you to take part in the Tshuva of Klal Israel

Whoever causes others to be righteous, there is no limit to his reward
 (Rabbi Shimon Bar Yochai ZT"L)

About Shofar organization;
 The Shofar organization was founded in 1985 by Rabbi Amnon Yitzchak Shlita. The Rabbi, who repented after accidentally reading "Kitzur Shulchan Aruch" began working to spread Judaism by taking advantage of the wonderful gift he received from Hashem to convey knowledge to people in the most special clear way. From the beginning the Rabbi set himself a goal to reach every Jew in every corner of Israel and the world in any possible way. He consulted with G'doley Hador on all issues and follows the Torah way only. In 1996, the organization moved to new offices in Bnei Brak where it was possible to provide better and more efficient service to any Jew who is looking for information and help on Jewish topics. We are happy to present to you several programs that will aid the organization's activities. These programs are made possible from the money of dear donors like you and not from state funds. These direct deposits of a few dollars per month funded the establishment of the Center for the Propagation of Judaism, the largest in the world to the glory of Hashem.
